**Inside Diameter:**

1.5 inches

**End Application:**

A/s48m-4 ums

**Product Name:**

Super-abrasion-resistant ballistic nylon wrap-around sleeving

**Special Features:**

Temperature range: neg 60 degrees to plus 180 degrees f; color: black; length: 25 feet; abrasion resistant

**Material:**

Plastic, nylon resin

**Material:**

Plastic polyamide

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T385-j
