Inside Diameter:

2.5 inches

End Application:

A/s48m-4 ums

Product Name:

Super-abrasion-resistant ballistic nylon wrap-around sleeving

Special Features:

Temperature range: negative 60 degrees to plus 180 degrees f; color: black; roll length: 25 feet; abrasion resistant

Material:

Plastic, nylon resin

Material:

Plastic polyamide

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T385-j
