Cross Sectional Shape:

Round

Outside Diameter:

0.750 inches

End Application:

1510-33-001-9619 cn-235 t.19

Measuring Method And Length:

22.5 inches working

Product Name:

Hose assembly, ptfе

Special Features:

Each end is permanently attached 90 degree fitting

Specification Data:

96906-ms8006k224fa180 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A542a0
