Cross Sectional Shape:

Round

Inside Diameter:

0.375 inches

Outside Diameter:

0.688 inches

End Application:

4940-01-591-0265

End Fitting Component And Material:

Complete fitting copper alloy all ends

Product Name:

Air and water hose

Special Features:

1 male and 1 easy-install female fitting; red hose

Media For Which Designed:

Air 1st response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A542a0
