Cross Sectional Shape:

Round

End Application:

D5k2 xl

Connection Style:

Fluid connection all ends

End Connection Design:

Straight all ends

Connection Type:

Unthreaded external hose all ends

Product Name:

Tractor, full tracked, low speed

Special Features:

Attachment part of 347-2646 lines gp-tilt cylinder-power pitch hydraulic system

Media For Which Designed:

Hydraulic fluid single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A542a0
