**Exterior Color:**

Clear

**End Application:**

Automated weather observation system c (awos-c)

**Product Name:**

Pvc reinforced tubing

**Special Features:**

3/16" id, 1/4" od, 1/32" wall thicknes; tygon, original manufacturer saint-gobain, flexible, tensile strength 2200 mpa, tear resistance 250 kn/m, specific gravi type 1.21, brittleness temperature -32f, tensile stress 1379 mpa, ultimate elongation 390%

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A54200
