Exterior Color:

Clear

End Application:

Automated weather observation system c (awos-c)

Product Name:

Pvc reinforced tubing

Special Features:

3/16" id, 1/4" od, 1/32" wall thickness; tygon, original manufacturer saint-gobain, flexible, tensile strength 2200 mpa, tear resistance 250 kn/m, specific gravity 1.21, brittleness temperature -32f, tensile stress 1379 mpa, ultimate elongation 390%

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A54200
