Inside Diameter:

1.42 inches

Overall Length:

12.0 inches

End Application:

Mrap buffalo mk2a2

Product Name:

Nylon protective sleeve

Special Features:

Material: nylon; abrasion resistance; sleeve comes in a 300ft roll; inside flat dimension: 2.24in x 0.090in; use banded clamp or nylon tie to fasten sleeve securely; do not use where ambient temperatures exceed +250f

Material:

Plastic polyamide

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A520e0
