End Application:

4120-01-558-5664

Unpackaged Unit Length:

60.0 inches

Component Quantity:

3

Usage Design:

Yellow jacket charging hose set with compact ball, 1/4 in

Product Name:

Hose, manifold w/shutoff

Special Features:

Recommended for r-410a; uses full flow valve

Functional Description:

Charging hose set, freon

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
