Cross Sectional Shape:

Round

Thread Direction:

Right-hand all ends

Inside Diameter:

0.375 inches

End Application:

2330-01-552-8661; dss trailer

Connection Type:

Threaded external pipe all ends

Thread Size:

0.375 inches all ends

Measuring Method And Length:

48.000 inches

Product Name:

Heavy du type 3/8" air brake hose assembly

Special Features:

Both end swivel

Media For Which Designed:

Air single response

Thread Series Designator:

Npt all ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A542a0
