**Cross Sectional Shape:**

Round

**Inside Diameter:**

1.5 inches

**Outside Diameter:**

2.25 inches

**End Application:**

5419-01-539-7178

**End Connection Design:**

Straight all ends

**Measuring Method And Length:**

114.0 inches excluding end fittings and 126.0 inches excluding end fittings

**Special Features:**

Proof test to 120 psi in accordance with astm d380

**Media For Which Designed:**

Water, drinking single response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A542a0
