Cross Sectional Shape:

Semi-circle

Outside Diameter:

8.000 inches and 8.125 inches both ends

End Application:

Ducts, air, t

Product Name:

Duct elbow, air, round

Special Features:

Direction of elbow: left; degree of elbow: 90; color: midnight blue;

Material:

Plastic aramid all plies

Style Designator:

Semi-circle

Specification Data:

Mil-prf-32107 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A229a0

Mil-std (military Standard):

Mil-prf-32107 spec.
