Cross Sectional Shape:

Round

Temperature Rating:

-50.0 degrees fahrenheit and 150.0 degrees fahrenheit

Exterior Color:

Red

End Application:

Mrap - m-atv

End Connection Design:

Straight all ends

Features Provided:

Spiral spring coiled

Thread Size:

0.50 inches all ends

Measuring Method And Length:

16.33 feet working

Product Name:

Coil, red

Special Features:

Spring gaurd to extend full length of straight sections (18.00 inches and 22.00 inches)

Material:

Plastic polyamide body

Thread Series Designator:

Npt all ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A541y0
