Cross Sectional Shape:

Round

Inside Diameter:

4.0 inches

Connection Style:

Cam or lever (internal) 1st end

End Connection Design:

Straight all ends

End Fitting Component And Material:

Complete fitting aluminum alloy all ends

Connection Type:

Internal quick disconnect 1st end

Measuring Method And Length:

6.0 feet

Product Name:

Assembly, hose 4" x 6'

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A542a0
