

View Online at <https://aerobasegroup.com/nsn/4730-00-072-5123>

Special Features:

Roughness not to exceed 125 micron inches

Material:

Aluminum

Material Specification:

Qq-a-200 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
