Shank Length:

0.250 inches

Shank Diameter:

0.188 inches

Special Features:

Serrated shank, and surface located ball check valve

Height:

0.547 inches

Material:

Steel

Material Specification:

Aisi 303/sae 30303 federal standard single material response

Surface Treatment:

Passivate

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A14800
