Shank Length:
0.250 inches

Shank Diameter:
0.188 inches

Special Features:
Serrated shank, and surface located ball check valve

Height:
0.547 inches

Material:

Material Specification:
Aisi 303/sae 30303 federal standard single material response

Alsi 303/3de 30303 lederal standard single material response

Surface Treatment:

Passivate

Steel

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A14800
