## NSN 4730-00-161-2397

Quick Disconnect Cap - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4730-00-161-2397

Overall Length:
2.555 inches
Quick Disconnect Method:
Twist-lock
Quick Disconnect Size:
0.750 inches
Material:
Aluminum alloy body
Material Specification:
Qq-a-268 federal specification single material response body
Surface Treatment:
Anodize body
Surface Treatment Specification:
Mil-a-8625 military specification single treatment response body
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A531v0
Mil-std (military Standard):
Mil-a-8625 spec.
