NSN 4730-00-172-1933

Quick Disconnect Cap - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4730-00-172-1933

Overall Length:
2.024 inches

Quick Disconnect Method:
Twist-lock

Quick Disconnect Size:
1.000 inches

Maximum Operating Temp:
135.0 degrees celsius

Material:

Aluminum alloy body

Material Specification:

Qq-a-225/5 federal specification single material response body

Surface Treatment:

Anodize body

Surface Treatment Specification:

Mil-a-8625 military specification single treatment response body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531v0

Mil-std (military Standard):

Mil-a-8625 spec.
