Inside Diameter:

0.740 inches

End Application:

F/a-18 hornet aircraft

Fastening Device Type:

Spring tension

Criticality Code Justification:

Feat

Special Features:

Weapon system essential

Material:

Stainless steel

Surface Treatment:

Passivate

Style Designator:

Wire

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A12700
