Connection Type:

Threaded external pipe 1st end

Thread Size:

0.750 inches 1st end

Nominallength:

5.000 inches

Material:

Plastic

Material Specification:

Astm d1784, type 1, gr1 assn standard single material response

Style Designator:

Flared w/ out wrenching facility

Thread Series Designator:

Npt 1st end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
