Body Material:

Steel, corrosion resisting

Overall Length:

1.360 inches

End Application:

F-15 aircraft

Orifice Diameter:

0.030 inches

Design Type:

Straight

End Connection Type:

Threaded male, regular flare second connection

End Connection Similarity:

Not identical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T359-c
