| Overall Length:                                   |
|---|
| 1.906 inches                                      |
| Quick Disconnect Method:                          |
| Push-pull all ends                                |
| Connection Style:                                 |
| Plain all ends                                    |
| Connection Type:                                  |
| Threaded internal pipe first fluid end connection |
| Features Provided:                                |
| Self-sealing                                      |
| Maximum Operating Pressure:                       |
| 1000.0 pounds per square inch single response     |
| Thread Size:                                      |
| 0.125 inches all ends                             |
| Material:   |
| Copper alloy body                                 |
| Style Designator:                                 |
| Male coupling half                                |
| Thread Series Designator:                         |
| Npt all ends                                      |
| Shelf Life:                                       |
| N/a   |
| Unit Of Measure:                                  |
|   |
| Demilitarization:                                 |
| No  |
| Fiig:   |
| A531t0  |
