Mounting Type:

Outlet connection line

Overall Width:

7.500 inches

Body Thickness:

1.000 inches

End Application:

Jzn mars class afs

Bodylength:

10.000 inches

Filtering Element Quantity:

1

Special Features:

W/ suction tube

Material:

Steel container/cartridge

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24000
