Shank Length:

0.312 inches

Pressure Relief Method:

Port end

Height:

0.562 inches

Material:

Steel

Surface Treatment:

Cadmium

Style Designator:

Straight

Specification Data:

62983-3x211701 manufacturers source control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A14800
