## NSN 4730-00-797-3544

Hose Clamp - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4730-00-797-3544

Inside Diameter:
0.812 inches
Overall Width:
0.225 inches
Fastening Device Type:
Spring tension
Material:
Steel comp 1085
Surface Treatment:
Cadmium and enamel baked
Style Designator:
Wire
Charification Data:
Specification Data:
81348-ww-c-440 government specification
•
81348-ww-c-440 government specification
81348-ww-c-440 government specification Specification Or Standard:
81348-ww-c-440 government specification  Specification Or Standard:  E type
81348-ww-c-440 government specification  Specification Or Standard:  E type  Shelf Life:
81348-ww-c-440 government specification  Specification Or Standard:  E type  Shelf Life:  N/a
81348-ww-c-440 government specification  Specification Or Standard:  E type  Shelf Life:  N/a  Unit Of Measure:
81348-ww-c-440 government specification  Specification Or Standard:  E type  Shelf Life:  N/a  Unit Of Measure:
81348-ww-c-440 government specification  Specification Or Standard:  E type  Shelf Life:  N/a  Unit Of Measure:   Demilitarization:
81348-ww-c-440 government specification  Specification Or Standard:  E type  Shelf Life:  N/a  Unit Of Measure:   Demilitarization:  No
