Overall Length:

1.600 inches

Quick Disconnect Method:

Twist-lock

Quick Disconnect Size:

1.906 inches

Material:

Aluminum alloy body

Material Specification:

Qq-a-325 federal specification single material response body

Surface Treatment:

Anodize body

Surface Treatment Specification:

Mil-a-8625 military specification single treatment response body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531v0

Mil-std (military Standard):

Mil-a-8625 spec.
