Features Provided:

O ring

Special Features:

Knob

Material:

Aluminum alloy 356

Material Specification:

Qq-a-601 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, ty ii, cl i military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A208a0

Mil-std (military Standard):

Mil-a-8625 spec.
