**Nominal length:**

2.312 inches

**Special Features:**

1 inch pipe size; 1.315 inch od; 0.120 inch wall thickness

**Material:**

Steel

**Material Specification:**

Astm-a335, +11 assn standard single material response

**Reference Number Differentiating Characteristics:**

Quality controlled in accordance with navsup control instructions for surf level 1 items

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A080b0
