**Special Features:**

5 x 3 inch; butt weld; schedule 120 x 80

**Material:**

Steel

**Material Specification:**

Astm-a182, f11 assn standard single material response

**Reference Number Differentiating Characteristics:**

Quality controlled in accordance with navsup control instructions for surf level 1 items

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A080b0
