Thread Direction:

Right-hand external

Pipe Size For Which Designed:

0.750 inches

Connection Style:

Plain

Drive End Style:

Recessed square

Head Type:

Solid

Body Type:

Solid

Thread Size:

0.750 inches external

Material:

Copper alloy or copper alloy ca865

Thread Series Designator:

Npt external

Specification Data:

81348-ww-p-460b, amend 2 government specification

Specification Or Standard:

A class and 2 rating

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A208a0
