# NSN 4730-01-051-1909

Tube Elbow - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4730-01-051-1909

### **Special Features:**

4 inch, schedule 80

## Material Specification:

Astm a234, grade w+11, class 1, 2, 3 assn standard single material response

## **Reference Number Differentiating Characteristics:**

Quality controlled in accordance with navsup control instructions for surf level 1 items

Shelf Life:

N/a

Unit Of Measure:

---

### Demilitarization:

No

Fiig:

A080b0
