Connection Type:

Butt weld tube 1st end

Special Features:

1 1-4 x 1 inch; schedule 80

Material:

Steel

Material Specification:

Astm-a182, f11 assn standard single material response

Departure From Cited Document:

Quality controlled in accordance with navsup control instructions for surf level 1 items

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
