**Connection Type:**

Butt weld tube 1st end

**Special Features:**

1 1-4 x 1 inch; schedule 80

**Material:**

Steel

**Material Specification:**

Astm-a182, f11 assn standard single material response

**Departure From Cited Document:**

Quality controlled in accordance with navsup control instructions for surf level 1 items

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A080b0
