# NSN 4730-01-054-3536

Tube Elbow - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4730-01-054-3536

#### **Special Features:**

A inch, schedule 120

### Material:

Steel

## Material Specification:

Astm-a182, f11 assn standard single material response

#### **Reference Number Differentiating Characteristics:**

Quality controlled in accordance with navsup control instructions for surf level 1 items

Shelf Life:

N/a

## Unit Of Measure:

---

## Demilitarization:

No

Fiig:

A080b0
