Special Features:

8 inch, schedule 120

Material:

Steel

Material Specification:

Astm a234, grade w+11, class 1, 2, 3 assn standard single material response

Reference Number Differentiating Characteristics:

Quality controlled in accordance with navsup control instructions for surf level 1 items

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
