Special Features:

9 x 7 inch; concentric; schedule 120

Material:

Steel

Material Specification:

Astm-a182, f11 assn standard single material response

Reference Number Differentiating Characteristics:

Quality controlled in accordance with navsup control instructions for surf level 1 items

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
