## NSN 4730-01-068-6703

Sediment Strainer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4730-01-068-6703

**Body Length:** 

6.380 inches

Criticality Code Justification:

Zzzy

Material:

Copper alloy body

Style Designator:

Y strainer w/threaded cover

## **Reference Number Differentiating Characteristics:**

Quality control in accordance with navships 0948-045-7010 material identification and control instruction for level 1

Shelf Life:

N/a

---

Unit Of Measure:

Demilitarization:

No

Fiig:

A24000
