Overall Length:

1.170 inches

Quick Disconnect Method:

Push-pull

Quick Disconnect Size:

0.797 inches

Maximum Operating Temp:

160.0 degrees fahrenheit

Maximum Operating Pressure:

3800.0 pounds per square inch

Material:

Stainless steel

Media For Which Designed:

Hydraulic fluid, petroleum base and oil and hydraulic fluid, mineral base

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531v0
