Connection Style:

Grooved (tube) all ends

Connection Type:

Unthreaded external tube all ends

Nominallength:

1.843 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6, t351 federal specification single material response

Surface Treatment:

Anodize

Style Designator:

Plain w/concave sides

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
