Casehardening Indicator:

Not casehardened

End Application:

1270-01-072-4220

Tube Inside Diameter For Which Designed:

0.141 inches

Special Features:

Insert is tapered on outside and is 0.406 in.L.

Material:

Polyamide nylon

Material:

Plastic polyamide

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T385-j
