End Connection Type:

Threaded

Criticality Code Justification:

Zzzy

Material:

Bronze

Material:

Copper alloy

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T385-q

Mil-std (military Standard):

Mil-b-11553 spec.
