**Criticality Code Justification:**

Zzzy

**Material:**

Plastic polyvinyl chloride

**Material Specification:**

Astm-f-439 assn standard single material response

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23300
