Thread Direction:

Right-hand internal

Screw Thread Series Designator:

Npsh

Features Provided:

Sealing gasket

Thread Size:

1.500 inches internal

Special Features:

With chain ring; nylon rope 12 in. Lg; 2 connectors

Material:

Copper chain

Material Specification:

Qq-c-390, type 3 federal specification single material response chain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A208a0
