Overall Length:

1.750 inches

Thickness:

0.250 inches

Wrenching Facility Shape:

Square

Width Across Flats:

2.875 inches

Male End Thread Size:

2.625-12

Male End Thread Direction:

Right-hand

Male End Thread Length:

1.500 inches

Female End Thread Size:

1.000-8

Female End Thread Direction:

Right-hand

Female End Thread Length:

1.750 inches

Criticality Code Justification:

Zzzy

Material:

Bronze

Material:

Copper alloy

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T385-1
