

View Online at <https://aerobasegroup.com/nsn/4730-01-232-9661>

Nominal length:

2.630 inches

Special Features:

Nsn 2350-01-136-8738 m1, improved tk

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200/8 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
