**Criticality Code Justification:**

Zzzy

**General Description:**

Matl cobalt aly castings mil-c-24248; flange 5.875 in. Porm 0.062 in. X1.000 in.; length 5.250 in.; inside dia. Multi stepped; first end 2.250-12un-2a thd; second enc multi stepped

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli
