Connection Type:

Threaded internal tube 1st end

Criticality Code Justification:

Zzzy

Special Features:

Item must comply with requirements of defense supply center columbus production standard no. Lo8016

Reference Number Differentiating Characteristics:

Reference number differentiating material will be in accordance with navval inventory control point activity hx quality control. Manufacturing and testing specifications available at the dla icp

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
