**Connection Type:**

Threaded internal tube 1st end

**Criticality Code Justification:**

Zzzy

**Special Features:**

Item must comply with requirements of defense supply center columbus production standard no. Lo8016

**Reference Number Differentiating Characteristics:**

Reference number differentiating material will be in accordance with navval inventory control point activity hx quality control. Manufacturing and testing specifications available at the dla icp

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A080b0
