Overall Length:

2.656 inches

Male End Thread Class:

2a

Male End Thread Size:

1 3/8-20

Male End Thread Direction:

Right-hand

Male End Thread Length:

0.594 inches

Criticality Code Justification:

Zzzy

Material:

Bronze

Material:

Copper alloy

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T385-I
